The Massachusetts Department of Public Health has published information on Swine Influenza A (H1N1) Virus. The Fact Sheet and web links will be placed on the Town of Hamilton's Board of Health website page.

The Water Department will be flushing hydrants Monday – Thursday evenings through out the Month of May. The flushing is typically performed between 9:00 p.m. to 1:00 a.m. To minimize dirty water entering your system, refrain from using water during this time. If your water appears discolored, run your cold water until it runs clear.
